

Confirmation letter of internship for Mr. Noah Jaspal Reinhardt at NTU-IAM

To whom it may concern:

This is a letter to confirm that Mr. Noah Jaspal Reinhardt, born on February 3rd, 2004, in Bergisch Gladbach, Germany, has been selected for the RISE Internship Program under my research project entitled "On the Static and Dynamic Motion of Liquid Motion on Solid Surfaces." I am happy to invite him to join my lab, Advanced Thermal Science and Flow Control Lab, for a two-month period of research internship at the Institute of Applied Mechanics, National Taiwan University in Taipei, Taiwan from 31st July to 30th September 2026. During this internship, he will have the opportunity to work with my postdoctoral fellow, Dr. Symphony Chakraborty, on research activities related to the project and gain exposure to the experimental and scientific research environment in my laboratory. All necessary instruments, laboratory facilities, and research support required for his work during the internship period will be provided to him.

I hope that this internship will provide him with valuable research experience and academic exposure. In case of any further questions or assistance is needed, please feel free to contact me.

Sincerely yours,

An-Bang Wang, Professor, Dr.-Ing.
